1. just another day

Today it was my birthday
Sixteen, I could finally drive
But it didn't feel special
I still went to school
Still had tests
Still went to practice
Still had homework
I even still felt fifteen
There was nothing special about today
All in all, it was just another day

2. What I Did Today

i sit all day
eating triscuits
salsa
listening
to
sheryl
alanis
elliott
singing to myself
on a sunny day that
was supposed to be s****ty.

sitting alone in
a yellow room
i light a candle and
watch the
house
burn
down.

3. Seeds of love

i thought that we were lucky
i thought we were the ones
you held my hand and made me soup
and brought me scoops of fun

it seems the clouds are nearing
they won't just blow away
but the memory of the love we shared
might hang around and stay

i can't predict tomorrow's tears

or hope for new beginnings
when grey skies loom above us
and cancel out our winnings

please try and hold the seeds of love
and always do remember
what happened once upon a time
that first day of november

4. Love Blindness

Is love blind or is it me?
I'm in a bind and i can't see.

I want to touch what is not there.
I want to hold what i can't bear.
I want to kiss but i shall not dare.

If love could see,
Would it see me?

5. "unable to be located"

Two lost loves,
yet to be found
Searching for a soul
Matching the unknown.

We live on hope
one day we'll succeed
Will we learn how to cope
In this tragic need?

Eyes glowing in the dark,
Feelings pure numbness
Wishing to reach their mark.
Thinking of dumbness.

Can we ever be known,
In this world so big.
Will they hear our moan
or just point and say pig.

We will wait
like robots
To meet our fate
Not our thoughts.

Life endeavors
may hold us.
But our eternal moments
will mold us.

6. Love

Did you ever love a boy
And knew he didn't love you?
Did you ever feel like crying
but what good would it do?
Did you ever look into his eyes
And say a little prayer?
Did you ever look into his head
And wish that you were there?
Did you ever see him dancing
with the lights turned down low?
Did you ever whisper to yourself
"God, I love him so!!"

So don't ever fall in love my friend
You'll find it doesn't pay
Although it causes broken hearts
still it happens every day
You wonder where he is at night
You wonder if he's true
One minute you are happy
The next you are blue

Then all at once you see him
And your heart begins to dance
Your world revolves around him
You'll give him one more chance...

Then it starts, you don't know why
You're worrying day and night
You see my friend, you're losing grip
It never turns out right
Love is nice, it hurts so much
The price you pay is high
If I had to choose between love and death
I think I'd die.
So please my friend, never fall in love
You'll be hurt before you're through

You see my friend, I ought to know
I'm still in love with you...

7. This fragile heart you'll never break

I know that you'll never break,
This fragile heart of mine.
My feelings for you are in the dark,
Something I doubt you'll ever find.

I love the way you walk,
And the way you talk,
Made me feel like a special girl.

But I was so afraid,
That you'll find out how I feel.
So to keep my secret safe,
I avoided talking to you.

I do hope for the day,
To look you straight in the eye.
Laugh along at your jokes,
Sit with you by your side.

I don't ask for much.
So I'm quite content
secretly in love with you.
In this way, I'm sure
This fragile heart you'll never break.

8. Perfect

My shoes are too small for my feet
My shirt too big for my body
My pants too short and too tight to my legs
My skull too big for my brain
I am too old for my age
My writing is too small for this paper
My lips are too small for my words
My actions aren't as bad as my looks
The books I read aren't as long as I stay up
I think people dislike you when you are really
this perfect

9. deflated

like a balloon
poked with a pen
i feel deflated
my self-confidence thin
never the best

at least not the worst
but stuck in between
always envying the first

not athletic
artistic or hot
nothing special
with nothing to flaunt

10. Heartbreak Game

Depth perceptions interceive.
Unknown thoughts may reinvent.

Lush desires do drive deep.
Unspoken words, I Will not peep.

Looking into Empty Eyes,
My heart sees all your lies.

Questioning you will remain the same
All you see is a heartbreak game.

Fuck your thoughts I despise.
Your the Devil in my eyes.

11. Annoyed

I'm annoyed.
Not my 10-year-old sister is driving me crazy
annoyed,
Not the dog across the street won't stop barking
at nothing annoyed,
Not I keep getting prank calls annoyed.
But no guy I like ever calls annoyed annoyed,
Annoyed that the boy next door wears
the same Miss Piggy shirt every day,
Annoyed at the guys that tell everyone
else they like me but never tell me,
Annoyed that my life has no exciting moments
whatsoever.

12. Just me...

Looking, Searching, lost
What may be the cost?
The scent of confusion is in the air,
Why couldn't I be there?

Dangerous looks are seen.
Glanced behind a book it intervenes.

Misread lines lead me to believe
History may perceive.

If wishes could come true
I'd wish to be with you.
Under the moon. If you only knew.

Into the night
I close my eyes
With all my might
I think of you, in disguise.

Acceptances is what I hunger for.
Reassurance is what I receive.

All I want is to be me.

13. Love turned into Lust

Cries I scream
Death is near
lust has never
been sincere
Tears roll down to my knees
Becoming steam from the heat
Nakedness intertwines
Two becoming one.
Love turns into lust
Pains turn into pleasure
Sheets are knocked off
It's just us forever
My eyes burn with fear
Someday you may not be here.
Thoughts rush through my head
Not realizing we're still in bed
What is going on
It's almost dawn.
My life reached it's peak
It's all gone in the
moment of the heat....

Love turns into lust
Pains turn into pleasure
Nakedness intertwines, two becoming one.
